BULK FOR YOUR BUILDS

Ships in 3 Days!

WHAT'S IN YOUR BUILD?

PRO LINE

Entry Level, Cost Effective, Mil Equivalent Single Stage for builders and SHTF Kits.

SPORTER STYLE

Classic Colt Style Phosphate Mil Equivalent Trigger / Hammer for a nostalgic look and feel.

GI STYLE

Traditional Government Issued Semi Auto Mil Equivalent Phosphate Trigger / Hammer.

MATCH NICKEL PTFE

Geared towards the sport of match or competition shooting. PTFE Treatment provides smooth crisp feel and easy clean up after a day at the range.

TF TWO STAGE PHOSPHATE

2-Stage Trigger with a Flat Non-reflective finish. The two stages of this trigger consist of an initial 2lb pull that brings you to a "wall", where the hammer and trigger are set to break for the shot. After that its only 2.5 lb pull to fire, helping to make accurate shots with short resets in between.

TF TWO STAGE NICKEL BORON

The 2-stage Nickel Boron Trigger with a 4.5 lb total pull weight and a durable Nickel Boron Finish. The two stages of this trigger consist of an initial 2lb pull that brings you to a "wall", where the hammer and trigger are set to break for the shot. After that its only 2.5 lb pull to fire, helping to make accurate shots with short resets in between.
